**SMS  
Marketing**

Mobile phones have become part and parcel of our daily lives; the day-to-day existence of many of us will come to a standstill without our mobile phones.

In today's dynamic and fast-evolving world, it is important to be able to reach your customers anywhere anytime.

Be many steps ahead of the others by adopting mobile marketing in your overall marketing strategy. Reach your customers even when they are on the move!

Let us at 3-Ki Enterprise help you with our mobile marketing solutions.

Stickitt are non-slip stickers attached to your mobile phone or other handheld devices that prevent slippages.

Ewypes are washable, non-adhesive stickers attached on your mobile phone and other handheld devices that allow you to wipe off dust, grime and oil.

Stickkey are Stickitt stickers that allows you to open electronic doors, replace stored value or membership or transport cards, or use as a high-encryption information storing sticker for a myriad of uses.

Flexisoft SMS is a SMS marketing & messaging services that allows you to send customise and personalise messages to your customers cheaply and quickly.

So personalize your messages today with our various mobile marketing tools for your marketing purpose! Limited only by your creativity!
